PRODUCT IMAGES AND DESCRIPTIONS:

➤ Watermarks are not permitted on product images. Descriptions that are ready-to-market goes a long way as they make it easy for retailers to simply push your products to their stores.

➤ You must manufacture your own products or hold inventory of your products in your own warehouses. Resellers without inventory do not qualify as a supplier.

PRICING:

- You will provide at least 25% off of your retail price. This discount enables merchants to realize a profit margin and incentivize them to grow their businesses with your products. Our recommended discount is 40% as we see the most amount of success with this margin.
- Pricing on your products should not be increased once your products have been published. We understand that pricing may reasonably change due to general inflation; however, if you plan to have any price increase above 15% please send us a notification for review.

MINIMUM ORDER QUANTITY:

➤ Due to the nature of retail drop shipping, we do not facilitate minimum quantity for products on Wholesaleshub.

SHIPMENT PACKAGING:

➤ We understand that as a brand manufacturer, your logo may exist on your products or product containers. However, beyond that, we ask that you refrain from including any promotional material that leads customers to your own website. Orders must be shipped in neutral packages without your company logo or information on the cardboard box/envelope used for shipping.

SHIPPING:

➤ Wholesaleshub take care of every shipment. Please edit your shipping details page and print shipping label. Paste that shipping label on the shipment package. Our courier partners should be pickup from your doorstep.

CUSTOMER INVOICES:

➤ Please print and include the Wholesaleshub generated invoice that is attached with every order in the package to end customers.

ORDER PROCESSING

➤ You are required to process orders within the timeframe that have specified within 24hrs. Orders will come directly to your Wholesaleshub account and you will receive an email notification for every order that comes in. You are required to maintain an order success rate of 95% or more as this enables your drop shippers to nurture repeat customers. Suppliers who are unable to provide reliable order fulfillment will be at risk of removal from our platform.

SHIPPING AND TRACKING NUMBER:

➤ All orders must be shipped with a tracking number and must be received by the customer within the time frame.
